Reason For Allowance

The following is an examiner's statement of reasons for allowance:

1. None of the prior art of record discloses a system of controllers acting as a node on a network and providing self configuration including broadcasting a default identifier in a default domain or first domain, ranking the default identifier or predefined array, internalizing an assigned network address to enable communication between a supervisor node and client node in a second domain.

This functionality is supported by the specification at pages 19-26.

2. Claims 10 and 18 the similar limitations set forth of apparatus claim 1. Therefore claims 10 and 18 are allowable.

3. Claims 2-9,11-17 and 19-23 depend on claims 1,10 and 18 respectively and are considered allowable on the same basis as the independent claim as well as for the further limitation set forth.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
